

National Business and Industry Leadership Team (BILT) Meeting for Networking and Convergence Technology

February 14, 2017

Rules of Engagement

BILT members – phone

- * **Mute your phone** if you're not talking – on WebEx, that's *6.
- * You have to **pick an audio channel** – you can't listen on your phone and also listen through your computer. That creates an echo and you will be muted.
- * **Do not put us on hold** – we prefer to not hear your hold music.
- * Feel free to speak up, but always **say your name** so everyone knows who's speaking.

CCN educators – chat box

- * We'll be monitoring the WebEx “**Chat**” tool for questions. Send your chat comments and questions to the Host. Do not send messages to us via e-mail.
