

Degrees and Certificates offered at CTC Partner and CCN Colleges (as of Nov 2013)

	<u>Degrees</u>	<u>Certificates</u>	<u>Industry Certifications</u>
Partner			
Collin (Plano, Frisco, McKinney, TX)	AAS Convergence Technology	Convergence Technology IP Specialization Home Technology Integration Expert MSAA	<i>CompTIA</i> - Security +, Network +, A+, Linux + <i>Microsoft</i> - MCP, MCSA, MCDBA, MCSE <i>Cisco</i> - CCNA, CCDA, CCDP, CCNP, Wireless, CCSP, CCIE <i>EMC</i> - EMC Information Storage Associate (EMCISA)
El Centro (Dallas, TX)	AAS - Network Administrator and Support	Convergence Technology Intern Convergence Technology Technician	<i>CompTIA</i> - Security +, Network +, A+, Linux, DHTI <i>Microsoft</i> - MCP, MCSA, MCDBA, MCSE <i>Cisco</i> - CCNA, CCDA, CCDP, CCNP, Wireless, CCSP, CCIE CCNA Security , CCNP Voice
UNT (Denton, Dallas, TX)	BA - Information Technology		
Convergence College Network Colleges			
Anne Arundel CC (Arnold, MD - near Baltimore)	A.S. AAS	Database Administration Option Network Security Cisco - CCNA Server Administration and Security Electronic Office Option Personal Computer Technician Option C ++ Language option Systems Option Scientific Programming Option Computer Network Management Option UNIX/LINUX System Administrator Option Publication /Design on the Internet __ Programming Option Internet and Mobile Device Software Visual Basic.NET Option Advanced Network Security	<i>CompTIA</i> - Network+, A +, Security + <i>Microsoft</i> - MCP, MCSA, MCDBA, MCSE <i>Cisco</i> - CCNA Security - SCNS, SCNP; EC-Council - CEH; ISFCE - CCE, CISSP
Calhoun CC (Huntsville, AL)	AAS - Networking AAS - Programming AAS - Micro Computer Applications AS - Transfer Degree	Networking Web Design Information Assurance	<i>CompTIA</i> - A+, Network+, Security+ <i>Cisco</i> - CCNA, CCNA VOIP, CCNA Security <i>Security</i> - CEH <i>vmWare</i> - VCPS

Degrees and Certificates offered at CTC Partner and CCN Colleges (as of Nov 2013)

	<u>Degrees</u>	<u>Certificates</u>	<u>Industry Certifications</u>
Century College (White Bear Lake, MN - Minneapolis/St Paul)	AAS - Cybersecurity, Virtualization and Forensics AAS - Cloud Computing and Virtualization Security	Cybersecurity Analysis and Techniques Digital Forensics Analysis and Techniques Reverse Engineering Malware Analysis and Techniques Intrusion Detection and Incident Handling Techniques Cloud Security and Virtualization Forensics Cloud Computing Architecture Virtualization and End User Computing	Citrix - CCA XenDesktop, XenApp, XenServer Forensics - EMCBRSA, ENCE, ACE, AME Security - SnortCP, WCNA, EMCISM, CEH, ECSA, EnCE, EMCCA, EMCCAE, EMCISM, EMCCIS vmWare - VCP-DT, VCP-DCV, VCP-Cloud, VCAP-CID, VCAP-DCA, VCAP-DTD Data Science and Big Data Analytics (EMCDSA)
City College of San Francisco (San Francisco, CA)	AS- Computer Networking and Information Technology	Computer Technical Support Computer Technician Fundamentals of Networking Fundamentals of Technical Support Network Security Routing and Switching (Cisco) Windows Networking Wireless Networking	CompTIA - Network+, A+, Security + Microsoft - MCSE Cisco - CCNA
Clark State CC (Springfield, OH)	AAB - Computer Networking AAS - CyberSecurity/IA	No	CompTIA - A+, Security +, Linux + Microsoft - MCP Cisco - CCNA, ISC2, CISSP
Cleveland CC (Shelby, NC - W of Charlotte)	AAS - Computer Information Technolog AAS - Information Systems Security AAS - Networking Technology AAS - Web Technology	Computer Information Technology Computer Information Technology: Computer Training and Support Computer Information Technology: Data Management Computer Information Technology: Project Management Information System Security Networking Technology: Cisco Networking Networking Technology: Microsoft Networking Networking Technology: Network Infrastructure Virtualization Networking Technology: Unix/Linux Networking Networking Technology: Wireless Networking Web Technologies: Cloud Computing & Green IT Web Technologies: Web Multimedia & Design Web Technologies: Web Social Media	CompTIA - A+, Network, Security + Cisco - CCNA Microsoft - MCP, MTA IC3
Diablo Valley College (Pleasant Hill, CA., E of San Francisco)		Certificate of Achievement: Computer Network Technology	

Degrees and Certificates offered at CTC Partner and CCN Colleges (as of Nov 2013)

	<u>Degrees</u>	<u>Certificates</u>	<u>Industry Certifications</u>
Eastern Florida State College fka Brevard (Melbourne, FL - SE of Orlando)	AS- Networking Services Technology AS - Computer Programming and Analysis AS - Computer Information Technology	Cisco CNA, Computer Programming, Computer Specialist, Help Desk Specialist Information Technology Technician, Oracle Certified Database Administrator Web Development Specialist	<i>CompTIA</i> - Security +, Network +, A+, Project +, Linux + <i>Microsoft</i> - MCP, Cisco - CCNA, Wireless, CCNP, VMware - VCP5, VCA-DT
Ferris State University (Big Rapids, MI - N of Grand Rapids)	AS/BS- Computer Information Systems BS - Computer Information Technology BS - Computer Network Systems BS - Digital Animation and Game Design BS/MS - Information Security and Intelligence	Advanced Studies in Business Intelligence Advanced Studies in Incident Response Advanced Studies in Project Management Computer Networking Certificate Computer Science Data Mining Certificate E-Commerce Marketing Geographic Information Systems (GIS) Certificate Homeland Security: Digital Security and Forensics Certificate Professional E-Commerce Marketing Project Management	<i>CompTIA</i> A+, Net+, Sec+ <i>Microsoft</i> MTA, MCSA, MCSE <i>Cisco</i> CCNA, CCNP
Florida State College at Jacksonville (Jacksonville, FL)	AS- Networking Services Technology	Network Virtualization Computer Specialist (Systems Administrator) Information Technology Technician (Cisco CCNA) Microcomputer Repairer Installer (Desktop Support) Wireless and IP Communications Technician Information Technology Management (Computer Forensics Technician/Network Security) Network Systems Developer (Advanced Cisco Technician CCNA/CCNP) Unix Linux System Administrator	<i>CompTIA</i> - Security +, Network +, A+ <i>Microsoft</i> - MCP, Exchange <i>Cisco</i> - CCNA, Wireless, CCNP <i>VMware</i> - VCP5, VCA-DT <i>EMC</i> - EMC Information Storage Associate (EMCISA) <i>Security - GIAC</i> - CGIA and GIAC; <i>EC-Council</i> - CEH; <i>ISFCE</i> - CCE; <i>ISC</i> , <i>CISSP</i> <i>Redhat</i> - Linux <i>Citrix</i> - XenApp 6.5 Admin, XenDesktop 5 Admin, XenServer 6.0 Admin.

Degrees and Certificates offered at CTC Partner and CCN Colleges (as of Nov 2013)

	<u>Degrees</u>	<u>Certificates</u>	<u>Industry Certifications</u>
Fox Valley Technical College (Appleton, WI, SW of Green Bay)	Network Specialist Associate Degree Network Systems Administration Associate Degree Computer Support Specialist Associate Degree Programmer/Analyst Associate Degree	IT Network Infrastructure IT Network Administration IT Help Desk Specialist (TD) IT Programmer/Analyst IT Computer Support Specialist IP Telephony Security IT Database IT Desktop Support IT PC Programming	Cisco - CCNA CompTIA - Network +, A+
Lansing CC (Lansing, MI)	Computer Support Specialist Computer Repair and Support Technician Computer Networking and Information Security	IT Foundations Computer Repair Technician CCNA Preparation * new residential networking specialist convergence technology	Cisco - CCNA, CCNA Voice CompTIA - A+, Network+, Security+, Project+, Linux+, DHTI+ CWNA (Wireless)
Louisiana Delta CC (West Monroe, LA - E of Shreveport)	AAS - Information and Communications Technology	Certified Network Convergence Technology	Cisco - CCNA, CCNP CompTIA - Security +, Network +, A+ Microsoft - MTA (Networking Fundamentals)
Metropolitan CC (Omaha, NE)	AAS - Computer Technology Transfer - Computer Science - Information Assurance - Management Information Systems AAS - Electronics Technology - Cisco Network Technician - Computer Electronics AAS - General Information Technology AAS - Information Technology - Data Center Management - Database Administration - Desktop Support Specialist - Embedded Systems Technology - Programming for Database/Web - Server Administration - Web Development	Certificates of Achievement General Information Technology - Computer Programming - Database Systems - Oracle Database Systems - Unix/Linux Operating System Information Technology - Data Center Technician - Network Technician - Security Technician - Server Technician - Web Author Electronics Technician - Cisco Networking - Microcomputer Repair	Cisco - CCNA CompTIA - Security+, Network+, A+, Linux+ Microsoft - MCSA, MCSE VMware - VCPS.1 EMC - EMCISA Security - CISSP

Degrees and Certificates offered at CTC Partner and CCN Colleges (as of Nov 2013)

	<u>Degrees</u>	<u>Certificates</u>	<u>Industry Certifications</u>	
Milwaukee Area Technical College (4 Campuses)	AAS IT-Network Specialist Network Specialist (Accelerated) Information Security Specialist AAS IT-Information Security Specialist -Acc AAS IT-Computer Support Specialist AAS IT-Mobile Applications Developer	AAS IT- AAS IT- AAS-IT	CCNA Certification System and Security Cerification Information Security Fundamentals Certification Infrastructure Security Certification IT-Security Auditing Mobile Application Desiner	Cisco CCNA Comptia - Network+ and Security+ Microsoft Certification Vmware - VCP5 CISSP ACE - AccessData Certified Examinar AME- AccessData Mobile Examinar Ethical Hacking
Northwest Vista College (San Antonio, TX)		Computer Systems Networking and Telecommunications		
Ohlone College (Freemont, CA. SE of San Francisco)	AS- Network Technology and System Administration w/ concentrations in: - Desktop Support Technician - Network Administrator - Technical Support Specialist - Database Administrator (Oracle) - Microsoft System Administrator - Cisco Certified Network Professional - Unix/Linux System Administrator	Certificates of Achievement and Certificate of Accomplishment: - Desktop Support Technician - Network Administrator - Technical Support Specialist - Database Administrator (Oracle) - Microsoft System Administrator - Cisco Certified Network Professional - Unix/Linux System Administrator - Network Technician - Cisco Certified Network Associate	Cisco - CCNA, CCNA-Security, CCNP ComptIA - A+, Network+, Linux+ Microsoft - MTA, MTICP (Server and Enterprise) Oracle Certified Professional (OCP) Vmware - VCP5, VCA-DT CWNA (Wireless)	
Orange Coast Colege (Costa Mesa, CA. S of LA)	AS - Computer Information Systems Information and Communications Technology	Certificate of Achievement: Information and Communications Technology Certificate of Specialization: ICT - Network Technician ICT - Network Infrastructure ICT - Enterprise Routing ICT - Virtualization and Cloud Computing ICT - Network Security ICT - Network Services and Applications ICT - Network Professional	ComptIA - Security +, Linux +, A+, Network + Microsoft - MCPIT EMC - EMCISA, EMCCIS Cisco - CCNA Juniper - JNCIA - Junos	
Ozarks Technical CC (Ozark, MO - Springfield)	Networking Technology AAS	Networking Technology cert	ComptIA - A+, Net+, Linux+, Security+, Server+ Cisco - CCENT, CCNA	

Degrees and Certificates offered at CTC Partner and CCN Colleges (as of Nov 2013)

	<u>Degrees</u>	<u>Certificates</u>	<u>Industry Certifications</u>
Polk State College (Winter Haven, FL - E of Tampa)	AS - Computer Networking Engineering Technology	Cisco CCNA Certificate Cisco CCNP Certificate Microcomputer Repair/Install Certificate	<i>CompTIA</i> - Security +, A+ <i>Microsoft</i> - MCITP Server Admin, Enterprise Admin, Exchange <i>Cisco</i> - CCNA, CCNP <i>Vmware</i> - VCP5, VCA-DT <i>EMC</i> - EMC Information Storage Associate (EMCISA) EMC - EMC Cloud Infrastructure and Services (EMCCIS) <i>Citrix</i> - XenApp 6.5 Admin, XenDesktop 5 Admin, XenServer 6.0 Admin.
San Jacinto College South (Houston, TX)	AAS - IT Security AAS - IT Network Administration * Desktop support and MS networks * Cisco Networking	Advanced IT IT Applications Program Associate IT Beginning Network Administration IT Security	<i>CompTIA</i> - A+, Network +, Security+, CEH <i>Cisco</i> - CCNA, CCNP <i>Microsoft</i> - MCP, MCSE Security - CCISP
Seminole State College (Seminole, FL., near St. Petersburg)	BS - Information Systems Technology BSIST - Application Development for Mobile Devices AS - Computer Information Technology AS - Information Systems Technology AS - Network Services Technology	Information Technology Support Information Technology Analysis Information Technology Analysis Computer Repair and Installation IP Communications Technician IT Management Wireless and Advanced Technology Wireless and IP Support Specialist	<i>Cisco</i> - CCNA, Wireless <i>Microsoft</i> - MCP, MCITP, MCSE <i>CompTIA</i> - Security +, Linux +, A+, Network +
Tallahassee CC (Tallahassee, FL)	AS- Help Desk Support AS -Networking Services Technology AS- Web Technologies	Help Desk/ Technical Support Networking Services Technology Web Technologies Information Technology Technician Information Technology Management	<i>CompTIA</i> - A+, Security+, Network+ <i>Cisco</i> - CCNA, CCENT
Tarrant County College (Fort Worth, TX)	AAS - Convergence Technologies AAS - Network and PC Support AAS - Information Security Technologies	Convergence Technologies Advance Convergence Technologies Home Technology Integration	<i>Cisco</i> - CCNA, CCNP
Waukesha County Technical College (Pewaukee, WI - Milwaukee)	AAS – Computer Support Specialist AAS – Network Specialist AAS – Web and Software Developer	Cisco CCNA Information Security Java Programming Mobile Device App Development Network Professional Project Management Virtualization Technologies	<i>Cisco</i> – CCNA <i>CompTIA</i> - A+, Server+ Linux+ powered by LPI <i>Microsoft</i> - MCITP, MCTS <i>Vmware</i> - VCP5.x <i>EMC</i> – EMC Information Storage Associate (EMCISA) PMI PMP CWNA

Degrees and Certificates offered at CTC Partner and CCN Colleges (as of Nov 2013)

	<u>Degrees</u>	<u>Certificates</u>	<u>Industry Certifications</u>
Wiregrass Georgia Technical College (Valdosta, GA - NW of Jacksonville, FL)	AAS Networking Specialist AAS Telecommunications and Security Technology AAS Wireless Engineering Technology	Cisco Network Specialist Information Security Specialist CompTIA A+ Certified Technician PC Repair and Network Technician Broadband Installation Specialist Cable Installation Specialist IP-Broadband Specialist	<i>CompTIA</i> - Network +, A+ <i>Cisco</i> - CCNA <i>BICSI</i> Level 1 Certifications <i>SCTE</i> Broadband Premise Specialist <i>FOA</i> Certified Fiber Optic Technician
Wisconsin Indianhead Technical College (New Richmond, WI - E of Minneapolis)	Computer Systems Administration Network Specialist Web Analyst/Programmer	Networking Professional	Network+ CCNA VCP
